“Partners in Perinatal Quality”

January 2011

Annual Meeting—Save the Date!

Sponsored by Vanderbilt School of Medicine, Division of Neonatology,
along with
TIPQC, The Governor's Office of Children's Care Coordination, & TennCare

TIPQC Annual Meeting

Please join us for the 4th Annual TIPQC Meeting on March 3-4, 2010 at the Cool Springs Marriott in Franklin, Tennessee. This year's meeting will include reports and workshops for all project teams, guest speakers Gautham Suresh, MD, Robert Lawrence, MD, Alan Spitzer, MD and an opportunity to talk with legislators & payors. Stay tuned for more details as we finalized these events. For speaker information, the agenda, and to register go to:

<http://tipqc.org/meetings/annual-meetings/2011-annual-meeting/>

Hotel reservations need to be made by **Tuesday, February 8, 2011** to receive the TIPQC group rate of \$94 per night. (Regular rates are \$225 per night!) Reservations must be made by individual attendees by calling the Marriott directly at 888-403-6772 and ask for the TN Initiative for Perinatal Quality Care (TIPQC) Group Rate, or online at:

<http://www.marriott.com/hotels/travel/bnacs-franklin-marriott-cool-springs/?toDate=3/4/11&groupCode=TPQTPQA&fromDate=3/2/11&app=resvlink>

This activity has been approved for AMA PRA Category 1 Credit.

Project Updates

All current project updates can be found on our Projects Page at www.TIPQC.org.

OB—Reducing Elective Deliveries before 39 Weeks

The TIPQC Maternal Initiatives Project Manager is available to discuss your joining or involvement in this project. <http://www.tipqc.org/projects>

OB—TN Breastfeeding Promotion

The change package is being drafted, and then the data structure will be ready for pilot testing hopefully this month. <http://www.tipqc.org/projects>

NICU—Human Milk for NICU Infants Project

Sixteen teams have joined this project and are beginning to enter data into REDCap. For more information or to join this project, please visit:
<http://www.tipqc.org/projects>

NICU—CLABSI Reduction

The teams continue to make remarkable differences in reduction of infections having reached a 50% decrease reduction in CLABSIs across the state.
<http://www.tipqc.org/projects>

NICU--Admission Temperature Project

Teams continue to assess sustainment data and renew sustainment goals with the upcoming Sustainment Webinar scheduled for this month. ABP MOC approval has been granted this project with five physicians having been granted credit already; please visit the Temperature Forum for details!
<http://www.tipqc.org/projects>

NICU—“How’s Your Baby?”

Pilot Centers beginning to test Dr. Bill Edward’s “How’s Your Baby?” parent data entry tool. <http://www.tipqc.org/projects>

NICU--Golden Hour

First Development meeting planned for January. <http://www.tipqc.org/projects>

Please note that we have added a calendar feature to our website, where these dates and others can be found at <http://www.tipqc.org/calendar>.
